Search by Doctor or Hospital: Click to search by Doctor or Hospital.

- If you are not searching for a doctor or hospital, use the basic <u>search</u>.
 Examples include:
- Ambulances
- Ambulatory Surgical Centers
- Dialysis Centers
- Durable Medical Suppliers
- Home Health Agencies
- MRI Centers
- Physical Therapists
- Retail Clinic
- Skilled Nursing Facilities
- Urgent Care Centers

Search by Name: To find a provider, you can search by typing any of the following:

- Provider's name
- Provider's specialty
- Your medical condition
- Other keywords, such as areas of your body effected (head, neck, bones, heart, or other body parts)

Location: Type your ZIP Code to find providers in your area.

Distance: Choose how close a provider must be to your location. To see more providers, choose more miles. To narrow your search, choose less miles.

Provider ID or Provider NPI: Click to search for a provider by a provider ID or NPI ID

Specialty: Click one or more boxes to choose a provider's area of medicine. If you are unsure about the meaning of any choices, see our List of Medical terms.

Provider Gender: Click a box to search for male or female providers.

Accepting New Patients: Click this box to find only providers who will see new patients.

Wheelchair Accessible: Click to find only providers whose facility is wheelchair accessible.

Board Certified: Click this box to find only providers who are board certified.

 $\label{provider per energy} \textbf{Provider Degree: Click one or more boxes to search for providers with those degrees.}$

Language(s) Spoken by the Provider: Click one or more boxes to find providers who speak those languages.

Hospital Affiliation(s): Click one or more boxes to find providers who will see patients at those facilities.

Patient Gender: Click to find providers who will see patients with your gender

Patient Age: Click to find providers who will see patients in your age range.
